

RGB LED Upgrade Kit

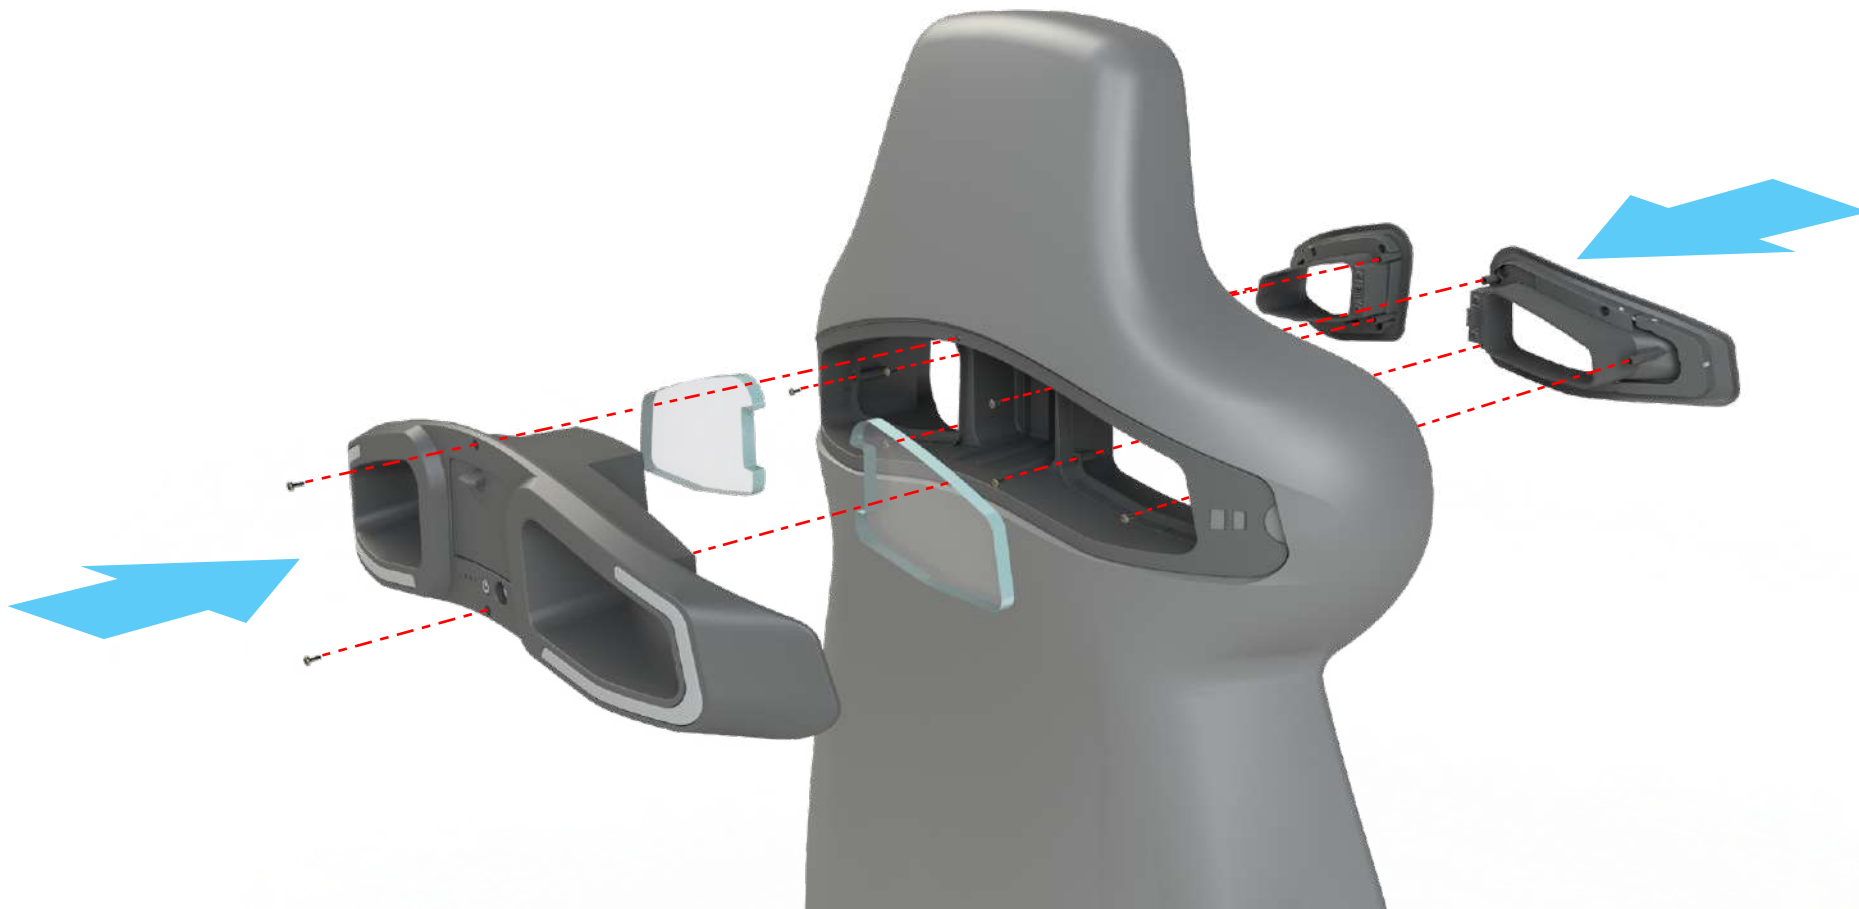

Quickstart

VERTAGEAR

1) Take out the original parts

2) Install the LED upgrade kit

4) Download CAM by NZXT

CAM BY NZXT

A screenshot of a mobile sign-in form. At the top, it says "SIGN IN" next to a gear icon. Below this are two input fields: "Email Address" and "Password". A link "Forgot Your Password?" is positioned below the password field. A blue "LOG IN" button is centered below the fields. Underneath the button is a "Remember Me" checkbox and a "Sign Up" link. Below this, it says "or Log in with Social Media" with two buttons: "GOOGLE" and "FACEBOOK". At the bottom, there is a link "CONTINUE IN GUEST MODE". A close button (X) is in the top right corner.

You can download CAM by visiting our Support Page:

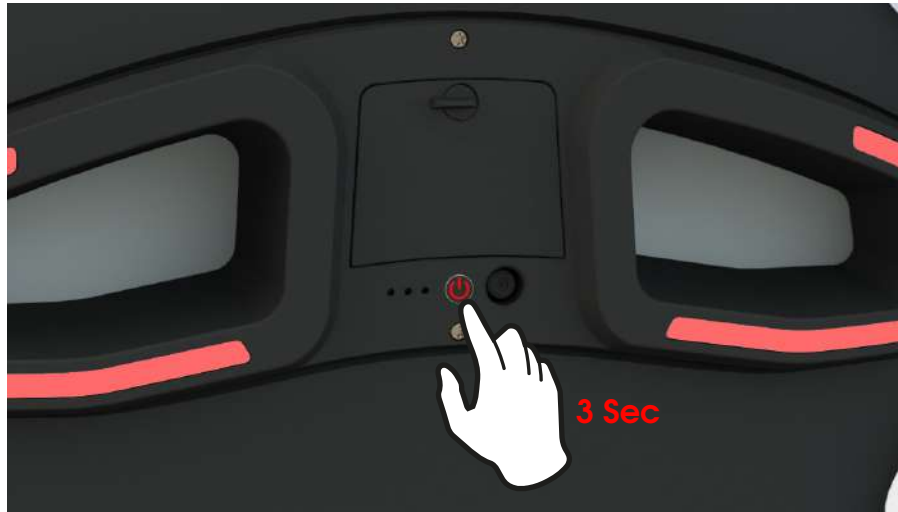

<https://www.vertagear.com/pages/support>

3) Insert the Batteries

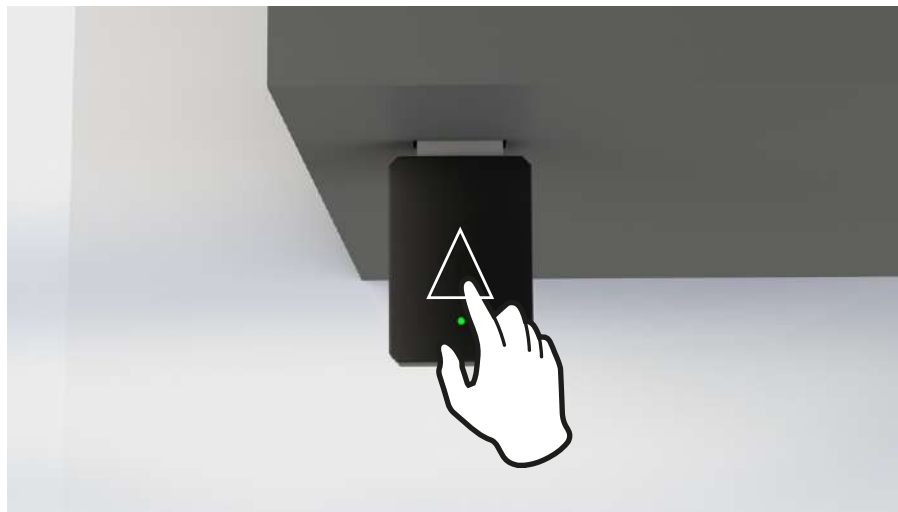

5) Pair the LED Kit

- a. Turn on and press the power button for at least 3 seconds.

- b. Press the button on the RF USB dongle once to complete the pairing.

6) Enjoy your LED kit!
